## BY JOHN H. BYERS

Lorado Taft, noted sculptor, and  
Hon. Gilbert M. Hitchcock, United  
States Senator from Nebraska, will  
be featured at the Assembly this af-  
ternoon, tonight and Sunday after-  
noon. Mr. Taft is at the Assembly  
today and Senator Hitchcock will be  
there Sunday afternoon. In addition  
to these big attractions there was a  
full concert this afternoon by the  
Fisher Schipp concert company, the  
organization which entertained so well  
last evening. Mr. Taft spoke for thirty  
minutes this afternoon, and his  
big lecture will be given at 8 o'clock  
tonight. Another entertaining mus-  
ical organization, the Welsh Singers,  
a male quartet, will give a sacred con-  
cert Sunday evening, and with that  
concert the 33rd annual session of the  
Rock River Assembly will come to a  
close.

Hitchcock ought to give a good ad-  
dress. He has many years of expe-  
rience in public life. He has been and  
is now one of the big men in the  
United States senate. He is in close  
touch with the administration ma-  
chinery, and being a close personal  
friend of the president, and one of the  
president's chief advisors, he should  
have a message that will give his  
hearers some inside information.  
Hitchcock is a good talker, with a fine  
presence. He is a pleasant gentle-  
man to meet, and is a fellow that peo-  
ple will like. Doubtless a large audi-

American Legion is  
Cutting Indebtedness

Indianapolis, Ind., Aug. 14.—With  
the report of Robert H. Tyndall, the  
national treasurer, showing its debt  
as having gone down at a rate of  
nearly \$1,000 a day for five months  
the American Legion will be clear of  
financial obligations by Jan. 1, 1921,  
should that rate be continued. In the  
period between Jan. 31 and June 30  
the deficit was cut from \$343,648 to  
\$197,214, a total reduction of \$146,433,  
or almost \$30,000 a month.

The Legion's peak of indebtedness  
was reached on January 31. The de-  
ficit at the end of the first six months  
of this year is shown in the following  
table:

January 31, \$343,648.13.
February 29, \$294,183.88.
March 31, \$256,963.61.
April 30, \$238,254.47.
May 31, \$240,650.31.
June 30, \$197,214.22.

Negro Heavyweights  
in Ten Round Bout

Chicago, Aug. 14.—Many sporting  
followers gathered here today to wit-  
ness the ten round boxing bout sched-  
uled between the two veteran negro  
heavyweights Sam Langford and  
Sam McVey at East Chicago, Ind.  
The men are scheduled to enter the  
ring at 3 p. m. central standard time.  
Langford ruled as a slight favorite.  
Among the out of town arrivals of  
note were Jack Dempsey, heavyweight  
champion and Manager, Jack Kearns  
from New York.

Russ Royal Jewels  
Were Sent to Martens

Washington, Aug. 13.—More than  
100 diamonds, supposed to have been  
a part of the famous jewels of the  
Russian royal family and addressed to  
"Comrade Martens," have been inter-  
cepted by customs officials while en  
route from Soviet Russia to the  
United States, according to evidence  
introduced at the deportation pro-  
ceedings against Ludwig C. A. K.  
Martens, self-styled soviet ambassador  
to this country.

## NEW COACH AT LINCOLN.

Bloomington, Ill., Aug. 13.—An-  
nouncement was made here today that

Dixon Golf Team  
in Fourth Position

Messrs. Roe, Rogers, Davies, Ray-  
mond and Kerr, constituting the team  
representing the Dixon Country Club,  
returned last evening from the North-  
ern Illinois and Southern Wisconsin  
Golf Tournament held at Woodstock,  
Ill., on Wednesday, Thursday and  
Friday, and the team made a very  
creditable showing, final figures  
giving them fourth position among  
eight teams competing, out-  
ranking both Freeport and Rockford  
Country Club teams. The standings  
were as follows:

First, Woodstock; Second, Dekalb;  
Third, Beloit; Fourth, Dixon; Fifth  
Freeport; Sixth Rockford; Seventh,  
Polo; and Eighth, Tampico.  
Mr. Davies, of the Dixon team,  
played the best golf of his career and  
was one of the runners up in the in-  
dividual cup, which was won by Mr.  
Schaefer of Woodstock. Mr. Kerr, also  
of the Dixon team, was runner up for  
the fifth man cup being defeated in  
the finals by Mr. Hunt of the De-  
Kalb team. Mr. Hunt and Mr. Kerr  
being respectively the oldest and the  
youngest players in the tournament.

Makes Plans for Air  
Derby Round World

By Associated Press Leased Wire  
Boston, Aug. 14.—Plans are in ac-  
tive operation for the first "round-  
the-world" aerial derby, it became  
known today. A special commission-  
appointed by the Aero Club of Amer-  
ica and the Aerial League of Amer-  
ica, after covering most of the ten-  
tative route, has completed an or-  
ganization for conducting the event.  
A test flight of the entire route is  
to be made from London in an im-  
proved Handley-Page carrying ten  
passengers.

The tentative route for the derby  
itself as adopted by the organization  
which has the matter in hand follows:  
New York to Seattle, 2,929 miles; to  
Yokohama via Aleutian Islands 5,418  
miles; Shanghai 1,266 miles; Bangkok,  
Siam, 2,095 miles; Karachi, India, via  
Rangoon and Delhi, 2,563 miles; Bag-  
dad, 1,536 miles; Rome via Greece 1,  
876 miles; Ireland (coast) via London  
and Paris 1,528 miles; New Found-  
land 1,875 miles to New York 1,125  
miles. Total distance traversed 22,  
207 miles.

OLYMPIC GAMES OPENGreat Stadium at Ant-

ed By King Albert.

## BULLETIN.

By Associated Press Leased Wire  
Antwerp, Aug. 14.—The reinstatement  
of Jan Ahearn of the Illinois  
A. C., dismissed yesterday from the  
American Olympic team on charges of  
insubordination, was announced this  
noon.

Antwerp, Aug. 14.—The Olympic  
Stadium was opened today. It was a  
formal ceremony, staged with a set-  
ting of flags, banners and fluttering  
pennants against a background of  
white stone, cement and wood, with  
royalty, officialdom, diplomacy, fame  
and fashion participating in the pro-  
gram or represented in the boxes. But  
the thousands of spectators packed  
about the huge oval centered their  
interest in the acrobatic contests—ath-  
letes from nearly 30 nations—who  
paraded the arena and tomorrow will  
begin their tests of strength and skill.

The spectators were as cosmopol-  
itan as the mass of contestants and  
in the ranks of the athletes were citi-  
zens of all the countries whose flags,  
flying from official, diplomatic or con-  
sular boxes, made the scene a color-  
ful hodgepodge like a warship decked  
out with all her pennants.

King Made Presentation.  
The formal ceremonies of opening  
the stadium included addresses by the  
King of the Belgians, who officially  
presented the stadium to Baron Pierre  
de Coubertin, president of the Inter-  
national Olympic committee and by a  
number of other officials of the Bel-  
gian Olympic committees. There was  
also tremendously impressive  
singing by a Belgian choral society.

The cheering was continuous as the  
athletes, filing in from the open space  
just back of the stadium where they  
had formed, nation by nation, swung  
into the arena headed by the members  
of the International Olympic commit-  
tee. They marched in alphabetical or-  
der, though the Belgians, alphabetically  
first in the list, took last place,  
courteously, as hosts.

Each group was preceded by its  
flags, and generally speaking each  
group of nationals was uniformly  
dressed—not in athletic togs, but in  
suits of uniform cut and color. Some,  
however, were in army or navy uni-  
forms. As they swung by the royal  
box, where King Albert, Prince Leo-  
pold and a group of government offi-  
cials were standing, they saluted the  
king. Some of the athletes paid sim-  
ilar courtesy to the ambassadors or  
ministers of their nations, who had  
boxes all around the arena.

Whether it was represented by 350  
athletes, as was France, or only a  
comparative handful, as was Japan,  
each nation participating seemed to  
have its special clique of partisans in  
the stands. Where possible, the spec-  
tators of one nationality had grouped  
together. All of the tourists who, for  
weeks, have been pouring into Bel-  
gium seemed to be there.

The American athletes, about 300  
strong, were cheered frenziedly not  
only by their compatriots in the  
stands, but by the throngs who recog-  
nized that the group marching be-  
hind the stars and stripes were among  
the strong contenders for victory in  
the Seventh Olympiad.

Many Americans There.  
It seemed that there were thousands  
of Americans in the stands. Every  
soldier from the Army of Occupation  
on the Rhine who could possibly se-  
cure leave was there in khaki. Jack-  
les from the cruiser, Frederick, sail-  
ors from the American merchant and  
passenger liners in the harbor and  
hundreds upon hundreds of tourists  
swelled the delegation from across the  
Atlantic until, in some parts of the  
stadium, at least, it seemed to be a  
regular American crowd. The Bel-  
gians, of course, and also the French  
and English appeared to be out in  
force.

Today's ceremony, from the inter-  
national viewpoint, signified not only  
the formal opening of the Olympic  
games but the completion of a task  
by Belgium, which, undertaken at a  
difficult time in her history, seemed  
almost impossible of consummating.  
When the International Olympic  
committee, meeting at Lausanne, in  
1919, decided to award the Seventh  
Olympiad to Belgium, the nation, af-  
ter four years of occupation by the  
enemy and in a crippled industrial  
condition, set out to construct a huge  
stadium and make other arrangements  
for the games in about one year's  
time. Other nations, scenes of previ-  
ous Olympiads, had had much more  
time and more favorable conditions.

Nevertheless, the stadium was com-  
pleted in record time, having been  
turned over by the contractor to the  
Belgium Olympic committee on May  
23 last.

Is Big Structure.

The stadium is something more than  
three miles from the central business  
district of Antwerp and is reached by  
street railway and steam railway lines.  
It has been built of stone, concrete,

RACE PROGRAM  
AT AMBOY FAIR  
WILL BE LARGEOver 60 Horses Train-  
ed in Events—Fair  
Opens Tuesday.

Over 60 head of horses to be entered  
in the races at the Lee County fair at  
Amboy, which starts next Tuesday,  
have been booked with the committee  
to date and others are expected to  
come in before the opening of the race  
es. A string of good horses have  
been promised from Wisconsin and  
others are coming in from Illinois and  
Iowa circuits.

The shows and concessions which  
will form the midway are arriving and  
selecting locations. About 20 con-  
cessions are on the grounds today and  
many more are expected over Sunday,  
coming from other fairs. The stock  
exhibit barns are also filling up as the  
opening date of the fair coming in by  
auto truck. Judging from the early  
arrival of exhibitors, concessions and  
racing stock the Amboy fair this year  
bids well to be the best that has ever  
been held and with proper weather  
conditions, should attract a record at-  
tendance daily.

Mendota Folks Chased  
By Infuriated Bull

Mr. and Mrs. Roy McInturf and  
children, of Mendota, while fishing in  
the Rock river, near Dixon, with a  
picnic party, were chased by an in-  
furiated bull. It was about noon and  
the women folks were preparing lunch  
when Mr. McInturf noticed a boy, who  
had been in bathing running at top  
speed in their direction. He wore a  
red sweater and some distance back  
of the boy came a large bull. The  
entire party dropped everything and  
made a hasty exit toward the fence,  
which enclosed the pasture.

Mr. McInturf picked up his two  
children and the women in the party  
ran as fast as they could. It was  
with some difficulty that the ladies  
crawled through the fence and they  
were helped and urged to their great-  
est speed by the men. They barely  
escaped the infuriated bull, which  
when the bull arrived, bellowing and  
pawing the earth. The bull was so  
angry that he even tried to get at  
them and the strength of the fence  
was put to a severe test. — Mendota

Browns to Lee for  
Contest Tomorrow

The Dixon Browns go to Lee to-  
morrow for a return game with the  
hard hitting team of that place and  
the fans of the eastern end of the  
county expect the largest attendance  
of the season. Recently the Dixon  
sluggers beat Lee, with Coss in the  
box, in a game here, and ever since  
that time the boys from the county  
line have been yelling for revenge. So  
they get their chance tomorrow. El-  
liott will oppose Coss for pitching  
honors.

State's Attorney to  
Spend Three Days of  
Each Week in Dixon

State's Attorney William Leech of  
Amboy, spent yesterday in Dixon on  
business in connection with his of-  
fice. He has arranged to be in the  
states attorney's office on the third  
floor of the court house building three  
days each week, Monday, Wednesday  
and Saturday and will come to Dixon  
at such other times as his services  
will be required.

Bar Members Will  
Attend Bacon Rites

Several members of the Lee County  
Bar association and of Dixon lodge, B.  
P. O. Elks will go to Oregon Sunday  
afternoon to be present at the funeral  
of the late Col. Frank Bacon. The de-  
ceased was very well known in this  
city, being a member of the local Elks  
lodge and also one of the leading at-  
torneys of northern Illinois.

Mendota Lady, Well  
Known Here, is Dead

Word was received by Dixon friends  
that Mrs. George Tower, of Mendota,  
passed away yesterday morning. Mrs.  
Tower leaves a sister, Miss Hattie Mc-  
Intyre, who is well known in this  
city. Miss Nonie Rosbrook will go to  
Mendota tomorrow morning to attend  
the funeral.

## INFANT CHILD DIES.

A son was born to Mr. and Mrs.  
F. H. Hauson, of Franklin Grove,  
August 10th. The little one lived but  
a short time. Mr. and Mrs. Hausen  
have the sincere sympathy of all their  
friends.

## HAVE BABY GIRL.

Major A. T. Tourbillot of Dixon  
was notified this morning that he has  
a new granddaughter. Mr. and Mrs.  
Frank H. Tourbillot of Sublette are  
the parents of a fine baby girl, born  
this morning.

Sells-Floto Circus is Coming to  
Dixon August 31

The advance manager of the Sells-  
Floto circus, who was in the city yester-  
day seeking a suitable location for  
his organization to show on Tuesday,  
August 31, was successful in his visit.  
The plot of ground in the southwest  
part of the city where the Al. G.  
Barnes show was quartered last year,  
was secured for the site where the  
Sells-Floto circus will pitch their  
tents. The first advance advertis-  
ing car is expected to arrive in Dixon  
the first of the week, billing the  
country for this attraction.

TENNESSEE IS  
CENTER BATTLE  
FOR SUFFRAGESenate Passed Resolu-  
tion; House to Vote  
Tuesday.

By Associated Press Leased Wire

Nashville, Tenn., Aug. 14.—Encour-  
aged by the action of the Tennessee  
senate in adopting a resolution pro-  
viding for ratification of the federal  
suffrage amendment suffragists today  
turned their attention to the house  
where, they admitted, they expected  
to face more determined opposition.

Neither house was in session today,  
both the senate and house having re-  
cessed until Monday at 2 o'clock. Suff-  
rage advocates and opponents, how-  
ever, were busy attempting to secure  
eleventh hour pledges of support from  
others of the house who remained in  
Nashville over the week-end.

House leaders considered action on  
suffrage on Monday afternoon improb-  
able. The committee to which the  
joint ratification resolution was re-  
ferred is expected to meet Monday  
night to consider it. Rumors were  
prevalent today, however, that an at-  
tempt might be made to bury the re-  
solution in committee. Replying to the  
charge made during debate yesterday  
by Senator Chandler, Republican and  
suffrage opponent that she had ad-  
vocated intermarriage between whites  
and negroes, Mrs. Carrie Chapman  
Catt, president of the National Wom-  
an Suffrage association last night  
characterized it as "an absolute fab-  
rication."

## IN NORTH CAROLINA.

By Associated Press Leased Wire

Raleigh, N. C., Aug. 14.—Leaders in  
the North Carolina legislature were  
of the opinion today that neither the  
senate nor the house would vote be-  
fore Tuesday on ratification of the  
federal suffrage amendment.

France in Accord  
with U. S. Attitude  
in Polish Question

Paris, Aug. 13.—The French gov-  
ernment is sending a note to the  
United States expressing pleasure that  
the French and American views on  
the Russo-Polish situation are "in  
complete accord" it was learned here  
today.

The note, recapitulates the conclu-  
sions in the American note to Italy,  
saying that France "reaches an iden-  
tical conclusion." It adds that France  
"never varied in her intention to sup-  
port the principles so closely formu-  
lated by the government of the United  
States."

The French note says it was with  
these principles in mind that France  
recognized General Baron Wrangel  
(anti-Bolshevik commander in South  
Russia) and decided not to approve  
the Soviet's terms to Poland unless  
they conform with these principles.

Canada Grants Rail  
Increase to Its Lines

By Associated Press Leased Wire

Ottawa, Aug. 14.—The board of rail-  
way commissioners of Canada today  
granted increases in through rates to  
conform with those recently approved  
by the Interstate Commerce Commis-  
sion of the United States. These in-  
creases apply to all commodities ex-  
cept coal and coke.

Poles to Request  
Aid for Homeland

By Associated Press Leased Wire

Chicago, Aug. 14.—Sixty thousand  
Chicagoans of Polish descent will hold  
demonstrations tomorrow throughout  
the city for the purpose of sending an  
urgent word to President Wilson to as-  
sist in saving Poland from the  
enemy it was announced from the  
several Polish headquarters today.

To Rent Houses to  
Teachers at Minimum

By Associated Press Leased Wire

Evanston, Ill., Aug. 14.—The board  
of education announced today that  
it has purchased two large houses near  
the Evanston schools which will be  
rented to teachers at the lowest price  
possible.

COX CHARGES G. O. P.  
WITH TRICKERY AND  
USING SMOKE SCREENDemocratic Nominee in  
First Vigorous Assault  
on Rivals.

By Associated Press Leased Wire

Wheeling, W. Va., Aug. 14.—Govern-  
or Cox today opened fire on his Re-  
publican opposition charging its  
leadership with "attempted trickery,"  
of the American people in opposing  
the League of Nations, and with con-  
ducting a campaign behind a "smoke  
screen" to secure partisan spoils.

That a "powerful combination of in-  
terests is now attempting to buy gov-  
ernment control" also was asserted by  
the Democratic presidential candidate,  
charging that "millions and millions"  
were being raised in campaign con-  
tributions.

The governor loosed his attack in an  
address here at the West Virginia  
Democratic convention. It was his  
first vigorous assault on the Republi-  
cans and was to be followed tonight  
by another address made to the gen-  
eral public.

Although advocacy of the League of  
Nations which the governor declared  
was "the greatest movement of right-  
eousness in the history of the world"  
was the leading theme of the address,  
he also attacked again the Republican  
"senatorial oligarchy." The Demo-  
crats, he added, present a cause of  
"constructive, progressive, economic  
service in peace" and promise defi-  
nitely a saving of \$2,000,000,000 annually  
in government expenses.

Senses Responsibility  
"A grave responsibility rests with  
the Democratic party," said Governor  
Cox. "Through its policies and con-  
duct it must render good faith in be-  
half of the nation to the soldiers of the  
war, and to our allies who helped to  
achieve victory. . . . It is purely  
a matter of concluding a duty to civi-  
lization, and doing it as quickly as  
prudent consideration of our coun-  
try's interests suggests."

"Leadership in a great moral ques-  
tion has been given to the Democracy,  
for the simple reason that the sena-  
torial oligarchy, which for the time  
being has assumed control of the Re-  
publican party, has abandoned the  
principles of other days. . . .

"We shall call attention to the de-  
linquent attitude on which this coun-  
try has been placed by senatorial in-  
trigue and to the very definite pro-  
gram of action we pledge. . . .

## Says Position is Plain

"The platform of our party gives us  
the opportunity to render moral co-  
operation in the greatest movement of  
righteousness in the history of the  
world, and at the same time to hold  
our own interests free from peril.  
Our position is plain. The circum-  
stances in the last eighteen months  
convict the Republican leadership of  
attempted trickery of the American  
people. Under one pretext after an-  
other they prevented the readjust-  
ment of national conditions. They  
proposed certain reservations to the  
League of Nations, and then they  
were abandoned, to be followed by  
nothing more definite than the an-  
nouncement of a "hope" that an en-  
tirely new arrangement might be  
made in world affairs. What method  
they have in mind, if it is concretely  
in any one's mind, the people do not  
know."

G. O. P. "Smoke Screen"  
In the face of an efficient Demo-  
cratic leadership during the war, and  
of constructive, progressive, economic  
service in peace, the Republican lead-  
ers developed a smoke screen, behind  
which they seek to gain their objec-  
tive, the spoils of office. For years  
the best thought and the humanitar-  
ian impulses of civilized countries  
have been applied to the high purpose  
of making war practically impossible.

The League of Nations became the  
composite agreement and now the  
senatorial oligarchy meets it with the  
absurd plea that it increases the pos-  
sibility of armed conflict. . . .

Declaring for "square dealing be-  
tween men and no preference under  
government" Governor Cox warned  
against distortion of the basic prin-  
ciples of the government and added:  
"A powerful combination of inter-  
ests is now attempting to buy govern-  
ment control. They are raising mil-  
lions of dollars in a campaign fund. . . .

It is being employed  
now to arouse racial discontent, to  
breed unrest and to beguile the public  
mind. The movement is based upon  
greed and selfishness, and if successful  
will result in an extreme reaction  
and a disordered society."

The proposal of the Democrats to  
cut two billion dollars from federal  
expense, Governor Cox said, also  
would guard against its mult plication  
many times in "illegal profits" and  
high living costs.

PONZI'S SHIP  
HIGH AND DRY  
ON ROCKS NOW  
And Financier is Safe  
Behind Bars of U.  
S. Prison.

By Associated Press Leased Wire

Boston, Aug. 14.—The financial ship  
that has been piloted by Charles Ponzi  
was high and dry on the rocks to-  
day and federal and state officials  
made determined efforts to salvage  
the cargo of millions of dollars en-  
trusted to Ponzi by thousands of in-  
vestors in his "50 per cent in three  
months." Ponzi ate his breakfast in  
the Middlesex county jail in East  
Cambridge, a prisoner of the United  
States government in default of \$25,  
000 bonds.

Three officers of the Old Colony  
Foreign Exchange company, a rival  
concern of Ponzi's Securities Ex-  
change company, had their morning  
meal in the Charles street jail, prison-  
ers of the commonwealth in default  
of \$50,000 bonds each. Samuel Zorn,  
said to be an employee of the Old  
Colony Foreign Exchange company  
was at headquarters awaiting a hear-  
ing on a charge of larceny of \$500  
from persons unknown.

## Faces Second Arrest.

Ponzi, whose bondsman surrend-  
ered him yesterday to the federal au-  
thorities, was confronted with the al-  
ternative of remaining in federal cus-  
tody or, if he could find another  
bondsman, of being arrested again by  
the commonwealth under a blanket  
warrant issued in the municipal court,  
charging him with larceny in 53  
counts, totaling \$24,000.

The authorities were said to be de-  
termined that the sensational financier  
should remain in custody, the prin-  
cipal reason for this being a desire to  
preserve for his creditors whatever  
assets he may have and the fear that  
Ponzi might seek to dissipate or  
transfer them if out on bail. Edwin  
L. Pride, federal auditor of Ponzi's  
accounts, has placed the latter's  
known liabilities at \$8,000,000 and  
Ponzi claimed assets of about \$4,000,  
000.

## Today's Market Report

(By Associated Press Leased Wire.)

### Grain Mart Easier on Armistice Talk

By Associated Press Leased Wire  
Chicago, Aug. 14.—Reports that armistice negotiations had begun between Poland and Russia at Minsk today caused wheat market to be unsettled. December started 1/4c to 1/2c higher at 2.41 to 2.42, while March was down 1/4c to 2 1/4c. Trading was light and soon quieted down, and December option dropping below yesterday's finish.

Corn displayed some activity at the start but was easier, opening quotations ranging from 1/4c to 1/2c lower, with September 1.48 to 1.49 and December 1.25 to 1.26. Selling was mostly by commission houses. The drop was checked by a house with western connections which bought on the break. Weather conditions were construed as unfavorable. Trade in oats was light, an elevator interest being a fair dealer at the opening, being 1/4c higher at 1.4c lower, with September 71 1/2 to 71 3/4 and December 70 to 70 1/4.

Provisions were quiet and trade was small.

Latter support from Millers and houses caused the market to recover part of the early loss, the close ranging from 2 1/4 to 2 1/2c net lower with December 2.38 to 2.39 and March 2.41 to 2.41 1/2.

### Chicago Produce

By Associated Press Leased Wire  
Chicago, Aug. 14.—Potatoes—receipts 37 cars, week; eastern cobbles 6.75 to 6.90 per bushel, Minnesota early Ohio 2.65 to 2.75; Jersey cobbles 3.25 to 3.50.

Butter—unchanged.

Eggs—unchanged, receipts 10,404 cases.

Poultry—alive, unchanged.

### Weekly Grain Review.

By Associated Press Leased Wire  
Chicago, Aug. 14.—Bullish aspects of government crop report together with active foreign demand have given an upward swing to the wheat market this week. Compared with a week ago wheat prices this morning were 1/4c to 1/2c higher. Corn varied from 1/4c lower to 2 1/4c advance, and oats were down 1/4c to 1/2c. In provisions, the difference ranged from 1/4c down to a rise of 1/4c.

Aggressive buying developed in the wheat market immediately following the issuance of the government crop report. The government figures indicated decidedly worse damage to the spring crop than most traders had looked for and besides a leading expert said that North Dakota wheat had deteriorated 15 per cent since the information was obtained on which the government report was based. Then it became apparent that export demand was broadening out to a notable degree. Yesterday, however, prospects of an armistice led to a reaction, and so too did the stoppage of railroads loadings for Galveston where the port facilities were temporarily swamped with grain.

### Stainbrook is Near Electrocution Today

George Stainbrook, special officer on the Galena avenue bridge, had a narrow escape from being electrocuted this morning about 9 o'clock when the trolley wire on the bridge snapped and fell to the floor of the structure. One end of the wire struck the floor of the bridge less than two feet from where Mr. Stainbrook was standing, throwing balls of fire in all directions and causing no small amount of excitement.

Traffic on the bridge was held up for a short time on account of the break. Contractor W. H. Shons, of Freeport, was at the bridge at the time and refused to allow the city cars to pass over the bridge until the break was repaired, on account of the danger to men working in the structure.

With the west side of the bridge floor almost all torn up, the traffic is

being handled very satisfactorily and with safety by two special officers John Gaffney has been sworn in as special police and is handling the traffic at the north approach to the bridge.

steel and wood, with an impressive arched main entrance. Its total capacity for spectators is estimated at 30,000. It, like the tracks it encloses, is oval in shape. On two sides there are roofed "grandstands" where are located the boxes and reserved seats. At the two ends of the oval, however, there are no roofs but only a series of steps—like those of the old Greek open-air theaters—accommodating thousands of spectators standing.

The tracks are the ordinary cinder paths, while the inside arena, where will be held the field events, is of well-kept turf.

The running tracks, oval, of course, is a fraction under 390 meters to a lap. There is a straightaway, along one side, sufficiently long for the 100-meter dash but the 200-meter race must be run on the oval. The grass field inside is 148 by 73 meters and the football ground 106 by 68 meters. There are tennis courts back of the stadium.

There are, of course, special dressing bathing, and refreshment rooms for the athletes and rooms for the press and officials.

## TRUNK HIGHWAYS ARE DUE, SAYS A. A. A. CHAIRMAN

Trunk highways, like trunk railroad lines, will be the inevitable result of the increasing use of motor vehicles by the people of the United States. This is the opinion of A. G. Batchelder, executive chairman of the American Automobile Association.

Already a plan for an extensive cross-country road system is engaging the attention of Congress, through introduction of a bill by Senator Townsend of Michigan, providing for a national highway system that, in his own words, "would form the backbone of the main commercial arteries of the nation."

"Motor transportation has brought about the new country-wide demand for trunk highways," says Batchelder. "The railroad systems must be supplemented in various directions by the employment of the motor vehicle; where there isn't sufficient business to justify the expense of trackage, where it is a case of intercity communication which calls for door-to-door needs, and where extraordinary demands can be met specially and promptly."

"With some eight million motor car owners in the country, the day may not be far distant when every family will have its own independent means of transport. Trips will be innumerable, and since highways serve both commercial necessities and pleasure."

## MOTOR NOTES

the construction of the American-made car, says Johnson.

### NATIONAL PARK ROAD WILL OPEN AUG. 25.

The master highway connecting the principal national parks of the west will be officially opened on Aug. 25. It is the longest continuous automobile highway in the world, stretching around in practically a circle, for some 4,500 miles. The highway will make the tour of the national parks one of the most splendid trips in the country. Heretofore there were many disconcerting factors that kept the tourists away, such as confusion in choosing the proper roads and delays through detours.

### FORD FINISHES PLANS FOR NEW FLIVVER.

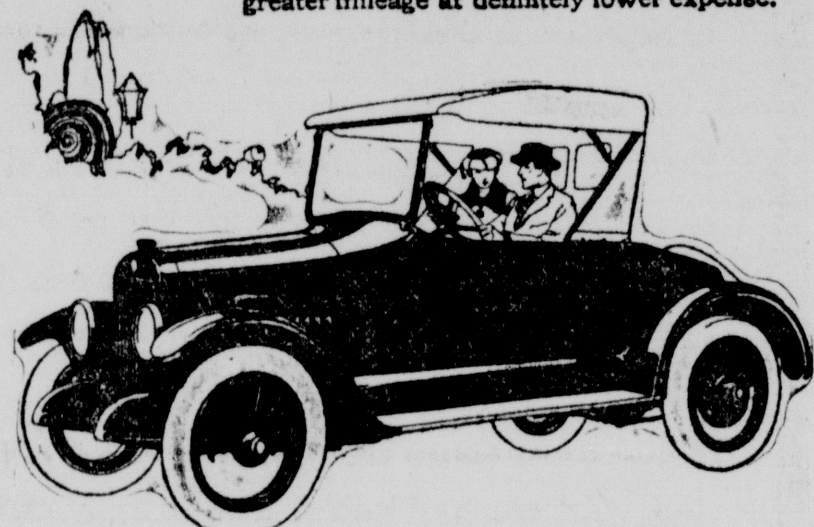

Watch for the successor to the flivver. It also will be a Ford product.

That is the word coming from Detroit, where it is said Henry Ford has completed plans for a new model which would make the rider believe he was in a Cadillac. The details of the new car are not available, except that the motor has been designed to eliminate every bit of vibration and that the body of the car will be entirely of metal.

## WAGGONER-REEDY—

At the home of Rev. and Mrs. H. G. Waggoner, 421 Ottawa avenue at 3 o'clock Thursday afternoon, Aug. 12th occurred the marriage of their daughter, Mary D. Waggoner, to Mr. Quinten Ray Reedy of Hamilton, Ill.

The ceremony was performed by the father of the bride, Rev. H. G. Waggoner, pastor of the Christian church, assisted by his father, Rev. J. G. Waggoner of Canton, Ill.

Before the ceremony Miss Margaret Merritt of Salem, Ill. sang in an impressive manner "The Sweetest Story Ever Told," accompanied by Miss Helen Joan Morris of Edinburg. The bride party entered the beautifully decorated parlors to the strains of Mendelssohn's wedding march played by Miss Morris. The bride and groom were accompanied by Miss Constance Albright of Chicago as bridesmaid, Garland Waggoner, brother of the bride as best man and Shirley Waggoner, the bride's little sister, as ring bearer.

The bride wore a simple but beautiful dress of white pussy willow tulle and lace with a long veil of silk net and lace and carried a shower bouquet of white roses and swansonia. The bridesmaid, Miss Constance Albright of Chicago, college roommate of the bride, wore pink organdie and carried pink roses. Shirley Waggoner, ring bearer, wore a ruffled dress of white organdie and carried the ring in the center of a rose.

The bride is the oldest daughter of Rev. and Mrs. Waggoner. She is a graduate of the Macomb high school, Western Illinois State Normal, and last year graduated from Emata college, having taken special courses in science. The groom is a son of Mr. and Mrs. Lois Reedy of New Philadelphia. He is a graduate of W. I. S. N. and is a gentleman of sterling worth and character and is a successful school administrator. He is superintendent of the high school at Hamilton, Ill.

The ceremony was performed in the presence of a number of Dixon friends of the bride and the following out of town guests: Twelve Sorority sisters, Misses Mary Rinker of Columbus, O.; Margaret Merritt of Salem, Ill.; Maets Vissering of Long Point; Edith, Coral and Hazel Jury and Lyla Burnham of Washburn; Maurine and Mildred Lance on Congerville; Helen Joan Morris of Edinburg; Frances Hicks of Monticello; and Constance Albright of Chicago. Other out of town guests were Rev. J. G. Waggoner of Canton and E. S. Corpe of Colfax, grandfathers of the bride; Mrs. Earl Wood and Mary Beth LeRoy of Hamilton, Mr. and Mrs. Clarence Reedy of Adair; Miss Nola Havens and Vera Reedy of New Philadelphia; W. H. Waggoner of Emata and Miss Louisa Corpe of Colfax.

Following the ceremony a two course luncheon was served by Mrs. Louisa Corpe and three younger sisters of the bride, Carol, Wilma and Phyllis Waggoner. The bride and groom left on an auto tour and after Sept. 1 they will be at home at Hamilton, Ill., where Mr. Reedy is superintendent of schools and Mrs. Reedy is teacher of domestic science in the high school. The couple were the recipients of many beautiful presents and their many friends join in wishing them a long and happy wedded life.

## RED CROSS ROMANCE—

A Red Cross romance which began during the war, culminated Wednesday

day night in the marriage of Richard D. Mills, judge of the probate court at Ottawa, and Miss Grace E. Herring, prominent society leader at Ottawawa. Judge Mills is well known among the members of the Lee county bar.

Judge Mills during the war was chairman of the Red Cross and Miss Herring was secretary of the Home Service Section. The friendship which began through the association in war work resulted in a courtship and finally in the marriage which took place Wednesday night. The ceremony was performed by the Rev. G. W. Farrar. Judge and Mrs. Mills left for Canada on their honeymoon.

## REUNION IN NEPONSET—

The Bureau County Soldiers' and Sailors' association will meet in reunion in Neponset Tuesday and Wednesday, August 24 and 25. It has been eight years since the soldiers' reunion was held there and the citizens are endeavoring to surpass their previous records in providing for the welfare of the soldiers.

The program will be held in a large tent erected on the school grounds.

## AMERICAN LEGION MET—

The American Legion met Thursday evening in the city hall and held the election for delegates to the state convention which will be held in Chicago. The delegates elected were: Jason Miller, Bradford Brinton, Robert Warner and the alternates were Sherwood Dixon, Norman Sterling and Howard Metzler.

## AT COAKLEY HOME—

Mr. and Mrs. Henry Obberling and daughter, Verna, and son, Harold, of Rock Falls, and Mr. and Mrs. Frank Wormer and children, of Sterling, motored to Dixon yesterday and spent the day at the George Coakley home. The occasion being the birthday anniversary of Mr. Coakley.

## LEAVE FOR THE EAST—

Mr. and Mrs. Chas. W. Johnson will leave Monday for Springfield, Vermont, where they will join Mrs. F. D. Idleman, their daughter, later they will go to Mrs. Idleman's home in New York City. About September 20, Mr. and Mrs. Johnson will go to Indianapolis to attend the G. A. R. Encampment.

## GUESTS AT ARMINGTON HOME—

Mr. and Mrs. Charles Grigg, of Chicago, are guests at the A. P. Armington home on Hennepin avenue. Mrs. Grigg will be remembered as Bernice Powell.

Miss Alice Carlson, of Oak Park, is a guest of Miss Clara Armington.

## MOTORED TO CHICAGO—

Mr. and Mrs. C. H. Gray, Mr. and Mrs. F. H. Messer motored to Chicago Wednesday, returning home on Thursday evening. While in Chicago Mr. Gray sold his car he drove in and purchased a new Hup automobile which they drove home.

## JOCELYN-LEE—

The following clipping taken from the Milwaukee Journal gives an account of the wedding of Miss Bernice Jocelyn:

"Miss Bernice Jocelyn, daughter of Mr. and Mrs. James C. Jocelyn, was married Monday afternoon at 5:30 o'clock, to Clarence Russell Lee, Col. water, Mich., at the home of the bride's parents, 594 Stowell-av. Only the members of the immediate family were present, the out-of-town guests being Mrs. Thomas M. Lee, mother of the bridegroom; Mrs. Frances Chandler, Chicago, aunt of the bride, and Mr. and Mrs. Robert Sterling, Dixon. The Rev. J. H. Benjamin officiated. At 7 o'clock a wedding dinner was served in the Red room of the Hotel Pfister to the immediate friends. Mrs. Herman Johnson, accompanied by Walter Dryburgh, sang O Promise Me. The bride wore a gown of peach colored georgette crepe and her corsage bouquet was of orchids and lilies of the valley. Mr. and Mrs. Lee left on a wedding trip and will be at home after Nov. 1 in Coldwater. Several affairs were given for the bride. Saturday she was guest of honor at a luncheon given in Gimbel's grill by the members of Chapter F of the P. E. O. sisterhood, of which she is a member. Friday night she was honor guest at a dinner at Donges Bay."

## AT BAPTIST CHURCH—

The congregation at the Baptist church Sunday morning will be favored with the singing of two well-known vocalists: Mr. E. T. Clissold of Morgan Park, baritone, and Mr. Walter Swarthout of Elgin, tenor. These gentlemen are spending a few days at the Clissold cottage opposite Lowell park and have very graciously responded to the request of friends in the former church home of the members of the family. Assisted by Mrs. Katherine Ballou, soprano, and Mrs. Lee Read, contralto, the following numbers will be given:

Solo—"The Ninety and Nine," by Campion.....Mr. E. T. Clissold

Quartet numbers by Mesdames Katherine Ballou and Lee Read and Messrs. Walter Swarthout and E. T. Clissold.

WASTE WOMAN POWER

One of the greatest menaces to the  
rural life of the nation, according to  
deductions drawn from a farm home  
survey made by the Department of  
Agriculture, is the waste of woman  
power.

This survey covered 10,015 farm  
homes in 33 states, and was made under  
the direction of Miss Florence E.  
Ward, who urges farmers to use a  
part of their increased income in rais-  
ing the standards of living so that the  
women and young people will not  
want to go to the cities in search of  
attractive living conditions and  
amusements.

The survey discloses a number of  
the reasons why many women do not  
find farm life attractive. The working  
day of the average farm woman is  
11.3 hours the year around. In sum-  
mer it is 13.12 hours. And 87 out of  
100 women have no regular vacation  
during the year. On the average, the  
farm women can find only 1.6 hours of  
leisure during the summer and only  
1.4 hours in winter.

Four per cent have water in the  
kitchen, the others must go to the  
pump. Seventy-nine per cent have  
kerosene lamps to trim and fill. Nine-  
ty-six per cent do the family washing  
and only half of these have washing  
machines. The garden work is done  
by 56 per cent, and 24 per cent spend  
over six weeks in the year assisting  
with some part of the field work.

All this in addition to the cooking,  
baking, sewing, cleaning, scrubbing  
and caring for the children!

Now do you wonder why farm life  
isn't attractive to the women and  
children?

WHEN CLEO DINED

Cleopatra may have dined on ton-  
gues of humming birds. She may have  
dissolved a pearl for drink. But noth-  
ing on her table equals for quality  
and delicacy what may be purchased  
in any market in the United States.

Consider the impression, if one  
knew nothing of honey and for the  
first time heard it described. The nec-  
tar of flowers. Sweetness gathered in  
infinitesimal portions from myriad  
blossoms until there is enough to fill  
a spoon or spread on bread.

A dish of humming-bird tongues is  
a crude, unimaginable dish compared  
to that. More costly? Yes. But cost  
never was a true test of value. In this,  
as in many other instances, the finest  
thing is relatively cheap. The world  
provides no more fanciful dainties than  
that which is gathered for anyone who  
keeps a hive of bees in his village  
dooryard.

Lucullus, Roman consul, is said to  
have brought fruits to his table from a  
great distance. He is said to have in-  
troduced the cherry tree into Europe.  
But no fruit he could obtain equalled  
the fruit which modern farming  
has developed. All his wealth and  
power could not get him such an apple  
as can be bought for a few cents in  
almost any market hereabouts in 1920.

A disinfectant is an agent which  
destroys the germicidal organisms with  
which it comes in contact. An anti-  
septic retards the growth of germs  
but does not necessarily kill them.  
A deodorant neutralizes offensive  
odors, but is not necessarily destruc-  
tive to bacteria.

There are several dependable dis-  
infectants, such as carbolic acid and  
corrosive sublimate, yet of all known  
agents of this kind, heat is the most

ADVENTURES OF THE TWINS  
by Olive Roberts Barton

SNOOPY SKUNK TALKS

Snoopy Skunk was telling Mr. Ting-  
aling what he wanted to have done to  
his house, and the fairy landlord did-  
n't dare to contradict him.

"No!" said Snoopy, "I haven't be-  
gun. There are some more things I  
wish beside the lavender bedroom and  
waxed stairs and the house turned  
around."

There was a wicked twinkle in his  
eye as he talked, for he knew as well  
as you and I know, that Tingaling

that?" he demanded sharply. "I say  
it's a fine day. The sun's out." But  
it wasn't out any more than next  
year's roses!  
Tingaling threw up his hands. "Oh,  
Mr. Skunk, don't mind him," he pro-  
tested anxiously. "He doesn't know  
anything," pointing to Nick. "It's a  
beautiful day, a most wonderful ex-  
quisite day, Mr. Skunk."

Tingaling threw up his hands. "Oh, Mr. Skunk, don't mind him, he  
doesn't know anything."

was afraid of him, although Nancy  
and Nick were puzzled why it should  
be so. The fairyman wasn't afraid of  
any other of the animals, not even be-  
ing frightened the time Oscar Owl  
swallowed him by mistake.

Snoopy put his hands in his pocket,  
and his head on one side and bal-  
anced himself on his heels and toes.  
"It's a fine day," he said squinting  
at the sky.

"Oh, no! It isn't," contradicted Nick.  
"It's going to rain."

Snoopy stopped rocking. "What's  
valuable and certain in its action.

"Yellow!" exclaimed Nancy, forget-  
ting Tingaling's warning. "They're  
not yellow, they're pink."

"Oh, no, no, no," protested Ting-  
aling. "She's color blind, Mr. Skunk.  
Always was! Very sad! Very sad,  
indeed! Your yellow petunias are  
lovely, look like pure gold. I do love  
yellow petunias."

"Hm," said Snoopy. "Not yellow  
at all. They are pink!"

Nobody knew what to say then.  
Snoopy Skunk was getting more im-  
possible every minute.

It should be remembered that article  
or material to be disinfected by  
boiling water must be kept in water  
for at least five minutes. Simply plac-  
ing the articles in boiling water which  
is allowed to cool does not always in-  
sure disinfection. A small amount of  
lime placed in a receptacle will usually  
prevent any unpleasant odor during  
disinfection.

What Ought a Wife Do When a Hus-  
band Slumps

"I suppose that is the end of the  
story, but would you object to telling  
us what became of the man?" Chrys  
asked.  
"He and the girl eloped. She could-  
n't marry him because she couldn't  
get a divorce from her own husband.  
She abandoned her child. They went  
out to some western desert to write a  
play."

"If two sophisticated people want  
to be that kind of fools, nobody ought  
to stop them," asserted Chrys. "I sup-  
pose there is a sterling coin of love  
but there's a lot of counterfeit in cir-  
culation. Man seems unable to assert  
it. He so often prefers a lot of copper  
to a little pure gold. When was their  
play produced?"

"It never was written. When the  
man's money was gone, the girl went  
off with the owner of a sheep ranch. I  
suppose she couldn't help doing so.  
Of course she couldn't live in harmony  
with my husband very long. Both of  
them had the artistic temperament  
which is always in revolt against the  
conventions. They were bound to re-  
act—to repulse each other. People  
who abandon the conventions make  
rules for themselves, but I could have  
told the girl that the man would make  
all the rules for her. Just exactly as  
he was his legal wife. She would  
have to be as subservient, if she lived  
in peace with him, as any properly  
wedded Puritan. I had been, but I  
didn't care. I lacked temperament—I  
simply adored my man and wanted to  
please him—when I had him."

"He sold his reputation for a song,  
I should say." This from Chrys.  
Mrs. Best nodded gravely.

way? Or abandon him and support  
herself in the "new" way?

And if I were to find my perfectly  
good husband lunching with an ex-  
tremely pretty young married woman,  
or with Katherine Miller, what would  
I do? I hate to think it "funny" as  
Mrs. Best did.

Public Auction  
ON  
MONDAY,  
AUGUST 23rd  
at 2:00 P. M. at the Premises

This farm is located six miles southeast of Dixon  
on the Peoria Road, 4 miles northwest of Walton,  
3 miles southwest of Eldena.

The soil is all good black land, all under cultiva-  
tion and very productive.

The improvements consist of a six room house,  
good barn, about 60x90 in size, room for plenty of  
horses, cattle, hay and grain. Corn crib, two wells  
of good water and windmill.

This farm is close to three good grain markets,  
on hard road to Dixon, and will make an ideal  
home.

The legal description is: The East half of the  
Northeast quarter and the north half of the  
Southeast quarter, section 4, Marion township,  
Lee county, Ill. This place is known as the J. C.  
Fielding farm.

Financial Authorities

say that most people are carrying about in their pockets any-  
where from five to eight times the amount of money they used to  
carry before the war.

MILLIONS OF PEOPLE, whose earnings  
amply justify the use of banks and check-  
ing accounts, still court the risk and incon-  
venience of keeping large sums about them.

Many men refrain from opening checking accounts simply be-  
cause they have not outgrown that boyish feeling that a substan-  
tial cylinder of banknotes in their pocket confers a deeper sense  
of being "well heeled," than a few figures in a bank book, with the  
power to check against the sum these figures represent.

This practice, aside from the personal risk and inconvenience,  
results in enormous sums of money being withheld from the  
uses of legitimate business enterprise.

## ASSEMBLY TO CLOSE SUNDAY; HITCHCOCK HERE IN AFTERNOON

(Continued from Page 1)

ence will greet Senator Hitchcock when he appears at the Assembly on Sunday afternoon.

**Taft Is Well Known**  
No introduction of Lorado Taft is needed to the intelligent American public; but we believe a word as to his career will be of interest to those who anticipate the pleasure of hearing him. A native of Illinois, he was graduated from the State University at the age of nineteen. His taste for sculpture revealed itself when he was a boy of thirteen. A foreign sculptor had been called from Chicago to mend the statues of the newly acquired university collection, broken in transit, and young Taft watched him with growing interest and desire to emulate him. He is one of the best known sculptors of this country, and no one is more capable of learnedly reviewing art subjects. During the Columbian Exposition Mr. Taft frequently lectured in the Fine Arts Building, and came to be recognized as an authority on all matters relating to works of art, as well as to his chosen profession.

Mr. Taft is an easy and fluent speaker, full of spontaneity, alive with humor, interesting his audience as he carries them almost unconsciously through an evening of the highest educational value. His lectures are interesting and doubtless a large audience will greet him tonight.

**Welsh Singers Praised**  
The Welsh Singers are praised by all who know anything about them. A unique and interesting feature in connection with this quintet is that for some years they have been hiding their talent in the coal mines of Vigo county, Indiana; and it is not only a pleasing surprise to hear them sing, but to know who they really are, where they have been, and what they have done.

Wales is a synonym for all that is best in vocal music. The musical fame of the Welsh people has spread around the world, and all that is needed to insure a musical treat is the appearance of a combination of Welsh Singers. This company of splendid singers will appear at the Assembly Sunday evening in a full concert.

**Smith a Whirlwind**  
Some one referred to Britigan, the real estate man from Chicago, who recently appeared at the Assembly, as a "Billy" Sunday. The same one who

said that was wrong. For the "Billy" Sunday of the Assembly talent during this session was Roy L. Smith, who lectured at Assembly Friday afternoon. Smith is a platform whirlwind. He starts off like a plane pushing itself skyward. He talks rapidly, sometimes so rapidly that one can scarcely follow him and then to follow him one must have a very front seat.

Smith talks fast, 'tis true, but as he talks he says many good things. Some of his material is somewhat ancient, but nevertheless he gives some valuable lessons for one to remember. Roy L. Smith is a preacher to put it in a more dignified way, a minister. He presides over a Methodist church in Minneapolis. Like all ministers, Smith had a text. It was "The High Cost of Low Living." He said that he delivered the same lecture to some school affair in Dixon some time ago. He said that he used the subject again because some one requested him to do so. Well, anyway, it is a splendid subject to talk about, and he pleased a large audience, with a discussion of the subject.

**One of Best Lectures**  
Just to give his audience who he was, he said: "I am 33 years old; I am married; I am a graduate of the Northwestern University. I am a Methodist and a Republican." After that frank statement the Minneapolis divine began to discuss his text and "to make a long story short" he made good. He is an orator, that is, he possesses a good voice and he filled every inch of the large auditorium.

In covering his subject, the divine used the points: cost of low living physically; low living mentally; low living intellectually and low living spiritually. On the whole his lecture might be considered as one of the best delivered during the 33rd annual session.

**Concert Was Pleasing**  
Another very large audience gathered last evening to hear the Fisher Shipp concert company. This company is a master musician and the program given was original and varied. The quality of their selections is high, and the rendition is par excellence. Not altogether too classical, but here and there a sprinkling of modern or "every day" music. The audience appreciated the variety. Miss Fisher Shipp is as clever a reader as she is a vocalist. Miss Spangler is one of the best contralto singers heard here this season. Miss Major is a violinist of much ability. She possesses a fine gift of music. Mr. Loar proved himself to be a great mandolinist. He is also a composer and the company gave several of Loar's productions. It was really a program of musical authority and worth.

The company will give another concert this afternoon. The School for Missions will con-

clude its work this afternoon at 4 o'clock.

Rev. Carl Sundberg has returned from Nebraska and he will preach the sermon Sunday morning in the auditorium.

The Dixon Municipal Band will play a thirty minute concert tonight beginning at 7:30 o'clock.

## CANADA SOON TO OWN LARGE RAIL SYSTEMS

### Amalgamation Large Roads is Almost Completed.

BY W. N. BURKHARDT.  
N. E. A. Staff Correspondent.  
Winnipeg, Canada.—The people of Canada will own and operate the largest railway system in the world when the amalgamation of the Canadian National and the Grand Trunk Pacific railways, now in process of consummation, is completed.

The amalgamated Canadian National railway will control 22,000 miles of railway lines. It will employ 70,000 persons. It will operate 2,000 modern locomotives, 1,800 passenger cars which can accommodate 70,000 persons, and 70,000 freight cars of all descriptions, with a normal carrying capacity of 600,000 tons.

Stretching from Sydney, Nova Scotia, to Victoria, British Columbia, a distance of 4,000 miles by rail, the Canadian National will operate 1,038 miles in Nova Scotia, 279 miles in Prince Edward Island, 1,107 miles in New Brunswick, 2,496 in Quebec, 3,552 in Ontario, 2,320 in Manitoba, 3,576 in Saskatchewan, 2,090 in Alberta, 1,227 in British Columbia and 1,881 in the United States.

The merger also involves 32 ships sailing from Atlantic and Pacific ports.

The amalgamation in eastern Canada is almost complete. One of the features of the amalgamation is that it is being accomplished without discharging any men. Fewer men in the ranks will be required for the amalgamated roads than for the two systems, but this situation is being met by suspending the taking on of new employees.

## REPORT MANY CASES OF RHEUMATISM NOW

Says we must keep feet dry! avoid exposure and eat less meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine.

The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

NOTICE TO CONTRACTORS

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed "Proposals for the furnishing of the labor and materials for and the construction of vitrified tile pipe sewer, with manholes and house connection laterals in Seventh Street, in the City of Dixon, Illinois," as provided for in Local Improvement Ordinance Number 198 Series of 1920, of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon, until 8 o'clock p. m. August 17th, 1920, and will be publicly opened by the Mayor of said City of Dixon, (who is the president of said Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvement to be held in the Council Chamber in the City Hall in said City of Dixon at 8:30 o'clock in the evening on the 17th day of August, 1920.

Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least 48 hours before the opening of said contract is made to any competitive bidders. After the expiration of 48 hours, as above stated, said Council and Board of Local Improvements and the Council of the City of Dixon, will determine the most advantageous bid for the City and publicly declare the same.

The work for which said tenders are invited is for the construction of 417 cubic yards of excavation, 2 manholes of three feet internal diameter with gutter tile inverts, cast iron covers, iron steps and eight inch walls, of brick, in header courses and plastered on the outside, 550 linear feet of No. 1 eight inch sewer pipe laid with cement mortar joints; 220 linear feet of No. 1 six inch sewer pipe laid with cement mortar joints, as provided for in Local Improvement Ordinance Number 198, Series of 1920 of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by a certified check for an amount not less than 10 per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the president of the Board of Local Improvements, in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such checks or cash to the successful bidder shall be conditioned upon his appearance within fifteen days after having been notified of the award, having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to the Board of Local Improvements and Council of the City of Dixon.

A bond equal to the amount of the bid will be required, conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the Board of Local Improvements and the Council of said City of Dixon. All proposals must be made on blanks which will be furnished bidders at the payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and the Council of the City of Dixon, bonds to draw interest at 5 per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to the Board of Local Improvements and the Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance maps, plats, plans, profiles, and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work. Specifications for said work are on file in the Mayor's office and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide a bond, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 5th day of August, A. D. 1920.

Said road to be built in two sections, No. 1, in the highway along the north boundary of sections 23 and 24,

try against younger teams for another honor.

Entry lists are in charge of Simon Kellerman, Jr., Edwardsville, who is director of the tournament. He has announced \$2,500 in prizes. Enthusiasm among firemen over the state, he says, promises the best competition of the sort ever held in this state. To promote plans now going forward, Mr. Kellerman is publishing a weekly Tournament Bulletin, which is sent to all fire departments.

Among the cities to be represented are Jacksonville, Mt. Pulaski, Lincoln, Clinton, Collinsville and Decatur, whose teams have bands. Other teams will come from Joliet, Wilmington, Rockdale, Kankakee, Ladd, De Pue, Dolton, Maroa, Granite City and Bloomington.

Beside the hose coupling and hook and ladder contest for the firemen, the tournament will provide a ladder climbing contest for women only. This

is one of the ten feature contests promised.

When a Roosevelt Trails Roosevelt

Chicago, Aug. 13.—Announcement was made today by Senator Harry S. New, that Lieutenant Colonel Theodore Roosevelt would take the stump for Senator Warren Harding, republican nominee for president early in September.

Roosevelt will start his speaking campaign in Chicago and will cover virtually the same route that is now being taken by Franklin D. Roosevelt, Democratic nominee for vice president, New said.
